

# **SPECIFICATIONS REPAVING CITY OF MIDDLETOWN 2025**

## **Scope of Work**

The successful bidder shall perform the following:

1. Furnish an individual lump sum bid for the milling and repaving for each of the following roads: (a) Harrison, (b) Old Shelbyville Road from Evergreen to Shelbyville Road, (c) St. Clair from Evergreen to Bermuda, (d) Parkland Court, (e) Crystal, (f) Sunnygate, and (g) Eastgate Place. Bidders are encouraged to contact Public Works Director Chris Mann at 905-4402 or email at [chrismann@cityofmiddletownky.org](mailto:chrismann@cityofmiddletownky.org) with questions about the project.
2. Bidders are required to list the lump sum cost of each of the above listed roads individually and state the square footage for each individual road that was used to calculate the lumps sum cost for each in the bidder's response.
3. Bidders are required to submit the unit pricing that was used to calculate the bidder's lumps sum bid for (a) each square foot of compacted and installed asphalt, and (b) for each square foot of asphalt milled, and a price to remove and replace any speed hump. The purpose of the unit pricing is that the City desires may add additional roadways after reviewing the bids received and the City's annual paving budget. Bidders must also note if there is any minimum square footage required for the unit pricing submitted in their bid and state that minimum.
4. City reserves the right to award portions of this contract to different Contractors, or to remove any of the streets in this specification depending on bid results and the available City budget for the year. The City may also elect to add additional roads after evaluating the bid results and add those as an addendum to the winning bidder's contract, based on the unit pricing stated in the bid responses. Contractors may bid some or portions of the project.
5. The bidder shall provide a total for each road and each bid shall be inclusive of the Contractor's cost for each road, including, but not limited to, all material, labor, equipment, permits, fees, fuel and everything else imaginable, in accordance with the standards set out herein, including the follow specifications:
  - a. All asphalt materials furnished shall be Class 1, Type A., hot mix asphalt, meeting Kentucky Transportation Cabinet, Department of Highways specifications for hot mix asphalt.
  - b. All equipment and procedures shall comply with the Kentucky Transportation Cabinet, Department of Highway Standard Specification for Road and Bridge Construction, Latest Revised Edition.
  - c. Mill existing asphalt roadways to a depth of 1.5 inches and haul off all milling debris.
  - d. A straight-line projection of the roadway edge shall be maintained crossing all driveways. These areas to be feathered to approximately ¾" thickness.
  - e. The roadway surface is to be prepared for paving with thorough cleaning and tack priming.

- f. The crown of the existing road shall be maintained, and any existing low areas shall be properly filled in order to ensure a smooth uniform surface.
- g. The surface course of 1.5 inches of compacted thickness shall be installed in accordance with the aforementioned specification on the street(s) to be resurfaced.
- h. Rolling of all asphalt surfaces shall comply with the Kentucky Transportation Cabinet, Department of Highway Standard Specification for Road and Bridge Construction, Latest Revised Edition.
- i. Any manholes in resurfaced streets must be treated in accordance with requirements of the Louisville & Jefferson County Metropolitan Sewer District, and in cooperation with MSD.
- j. Guarantee all work against defects in material and workmanship for a period of (1) year from date of installation.
- k. Provide all square footages and tonnage as part of the bid application.
- l. Any ambiguities in these specifications, or questions, shall be resolved in a conference prior to submittal of bid.

### **GENERAL SPECIFICATIONS**

The specifications required by the City of Middletown, Kentucky for the person, firm or corporation receiving any contract to perform services for the City:

The successful Contractor agrees to the following:

- 1. Maintain adequate telephone facilities in specification to receive any complaints directly from the city. Produce list of at least three client referrals.
- 2. Render, prior to the fourth Monday of each month its invoice for services furnished in the preceding month. Payments by the City will be due thirty (30) days net, following the inspection and acceptance the work completed and receipt of Contractor's invoice.
- 3. Contractor agrees to complete performance under this Specification, free and clear of all liens, claims, and encumbrances. Before payment, Contractor's work must pass inspection and in all respects be of a high quality and sufficient for a public project. Contractor shall warrantee its work for one year from date of installation.
- 4. If Contractor fails to perform the work in accordance with these Specifications and Bid Packages, the contract may be voided at the pleasure of the City and the City may employ the services of another vendor to provide substitute services. City may without liability terminate the whole or part of payment under this specification until the work is finished, at which time, if the unpaid balance of the amount to be paid Contractor under the specification shall exceed the City's cost of finishing the work, plus any damage incurred through default of the Contractor, such excess shall be paid by City to Contractor; if such amount exceeds such unpaid balance Contractor shall be liable for and shall pay difference to City.

5. Except as otherwise specifically provided in the specification, Contractor shall not subcontract any part of the work -- without City's consent. Such consent, however, shall not relieve Contractor of any of its obligations. The provisions of this article do not apply to purchase of raw materials, standard commercial supplies, qualified products list and hardware items.
6. Contractor must submit a schedule for completion of its work with its bid. The work must be completed within the time submitted in the bid, unless additional time to complete is allowed at the sole option of the City of Middletown.
7. Contractor agrees to comply with the applicable provisions of any Federal, State or Local law or Ordinance and all specifications, rules, and regulations issued thereunder.
8. Contractor's relationship and that of its agents, servants, and employees to City in the performance of the specification shall be that of an independent contractor and not as an agent, servant or employee of the City, and no person employed by contractor shall be entitled to participate in or receive any benefits under pension, insurance or other employee benefit plans of City.
9. Contractor is encouraged (but not required) to provide with its bid an option of posting a performance bond for this project. Contractor shall set out in its bid any additional cost for providing a performance bond, the inclusion of which is at the sole option of the City.
10. The Contractor shall indemnify and hold harmless the City of Middletown and its agent and employees from and against all claims, damages, losses and expenses including attorney's fees, arising out of or resulting from the performance of the contract provided that such claim, damage, loss or expense (1) is attributable to personal injury, bodily injury, sickness, disease or death, or injury to or destructions or property, including the loss of use resulting therefrom, or from Contractors failure to pay its subcontractors, and (2) is not caused by any negligent act or omission or willful misconduct of the City of Middletown or its employees acting within the scope of their employment.
11. The Contractor shall procure and maintain insurance policies as described herein and for which the City of Middletown shall be furnished Certificates of Insurance upon the execution of the Contract. The Certificates shall include provisions stating that the policies may not be canceled or materially amended without the City of Middletown having been provided at least fifteen (15) days written notice. The Certificates shall identify the Contract to which they apply and shall include the name and address of the person executing the Certificate of Insurance as well as the person's signature. If policies expire before the completion of the Contract, renewal Certificates of Insurance shall be furnished to the City of Middletown before the expiration date. Without limiting any of the other obligations or liabilities of the Contractor, the Contractor shall provide and maintain, until the work is completed and accepted by the City, minimum insurance coverage as follows:
